Who's Jill?

Who is Jill?

She is the president of John & Jill, a cake company in California, and a woman who loves baking cakes. She originally worked as an employee at a cake factory run by an elderly couple, but when the couple retired, Jill and her brother John took over the recipes and the factory. The cheesecakes sold at Joyfull are made with cream cheese, which is known for its richness and smoothness, but with a special recipe that is less sweet to suit Japanese tastes.
